

Epic Failsters

The Epic Failsters strike again!

We are the Epic Failsters. Daniel and Quincy are the people that are building the robot, the Beastly Bot to beat everyone else's robot in the game Tee Time. The object of the game is to score in the tee, roll golf balls in to a hole up a hill or put the golf ball in the square were you started in. The last 30 seconds they will place two silver balls called Ultra balls that will double the points that you put the Ultra ball in. We're gonna win!!!
